## Bridge Over Troubled Water

by Paul Simon

When you're weary, feeling small / When tears are in your eyes, I'll dry them all (all)  
I'm on your side, oh, when times get rough /  
And friends just can't be found / Like a bridge over troubled water / I will lay me down

When you're down and out / When you're on the street  
When evening falls so hard / I will comfort you  
I'll take your part, oh, when darkness comes  
And pain is all around / Like a bridge over troubled water / I will lay me down

## For Baby (For Bobbie)

by John Denver

I'll walk in the rain by your side / I'll cling to the warmth of your hand  
I'll do anything to keep you satisfied / I'll love you more than anybody can  
And the wind will whisper your name to me / Little birds will sing along in time  
Leaves will bow down when you walk by / And morning bells will chime

I'll be there when you're feeling down / To kiss away the fears if you cry  
I'll share with you all the happiness I've found / A reflection of the love in your eyes  
And I'll sing you the songs of the rainbow / A whisper of the joy that is mine  
And leaves will bow down when you walk by / And morning bells will chime

## Sh'ma-And You Shall Love

Deuteronomy 6:4-9

Sh'ma Yisrael Adonai eloheinu Adonai echad

## שמע-ואהבת

English text & music by Debbie Friedman

שְׁמַע יִשְׂרָאֵל, יְיָ אֱלֹהֵינוּ, יְיָ אֶחָד.

בְּרוּךְ שֵׁם כְּבוֹד מַלְכוּתוֹ לְעוֹלָם וָעֶד.

Hear O Israel, Adonai is our God, Adonai is one. Blessed be God's glorious majesty forever and ever.

And you shall love Adonai your God with all your heart  
With all your soul and with all your might  
And all these words which I command you on this day  
Shall be in your heart, shall be in your heart

And you shall teach them diligently unto your children  
And you shall speak of them when you sit in your house  
When you walk by the way and when you lie down  
And when you rise up, and when you rise up

And you shall bind them for a sign upon your hand  
And they shall be for frontlets between your eyes  
And you shall write them on the doorposts of your house  
And upon your gates, and upon your gates

That you may remember and do all of My commandments  
And be holy unto your God, unto your God, unto your God

## Just the Way You Are

by Billy Joel

Don't go changing to try and please me / You never let me down before  
Don't imagine you're too familiar / And I don't see you anymore

I would not leave you in times of trouble / We never could have come this far  
I took the good times; I'll take the bad times / I'll take you just the way you are

I need to know that you will always be / The same old someone that I knew  
What will it take till you believe in me / The way that I believe in you?

I said I love you and that's forever / And this I promise from the heart  
I could not love you any better / I love you just the way you are

## Relatively Permanent

by Chris Staples

I wonder if we'll still be together / Several years down the line.  
Well how could I know / you can't know either.  
This could be an accident / Or relatively permanent.  
But either way, I'm gonna stay / And love you for another day.

How lucky can two people get / Hand in hand, side by side.  
A coincidence we even met  
This could be an accident / Or relatively permanent.  
But either way, I'm gonna stay / And love you for another day.

May the one who blessed our ancestors, Abraham, Isaac, and Jacob, Sarah, Rebekah, Rachel, and Leah, bless and heal those who are ill. O God, please heal her. (Numbers 12:13)

## We Remember Text by Sylvan Kamens & Jack Riemer / Music by Ken Chasen & Yoshi Zweiback

In the rising of the sun, we remember / In the blowing of the wind, we remember.

In the opening of buds, we remember / we remember.

In the blueness of the sky, we remember. In the rustling of leaves, we remember.

As the year starts and it ends, we remember / we remember.

When we're weary and need strength, we remember. When we're lost and sick at heart, we remember.

When we have joys we yearn to share, we remember / we remember

So long as we live, they too shall live, for they are now a part of us, as we remember them.

## Sweet Child o' Mine by Guns N' Roses

She's got a smile it seems to me / Reminds me of childhood memories  
Where everything was as fresh as the bright blue sky  
Now and then when I see her face / she takes me away to that special place  
And if I'd stare too long / I'd probably break down and cry  
Oh, oh, oh / sweet child o' mine  
Oh, oh, oh, oh / sweet love of mine

## I Saw Her Standing There by John Lennon & Paul McCartney

Well, she was just seventeen / You know what I mean  
And the way she looked / Was way beyond compare  
So how could I dance with another / when I saw her standing there?

Well, she looked at me / And I, I could see / That before too long I'd fall in love with her  
She wouldn't dance with another / when I saw her standing there  
Well, my heart went "boom" / When I crossed that room / And I held her hand in mine

Oh we danced through the night / And we held each other tight / And before too long I fell in love with her  
Now I'll never dance with another / since I saw her standing there

## Your Song by Bernie Taupin as performed by Elton John

It's a little bit funny this feeling inside / I'm not one of those who can easily hide, I  
Don't have much money but boy if I did / I'd buy a big house where we both could live

If I was a sculptor, but then again no / Or a man who makes potions in a traveling show  
Oh I know it's not much but it's the best I can do / My gift is my song and this one's for you

And you can tell everybody this is your song / It may be quite simple but now that it's done  
I hope you don't mind, I hope you don't mind / That I put down in words  
How wonderful life is while you're in the world

## Happy Together by Gary Bonner & Alan Gordon

Imagine me and you, I do I think about you day and night, it's only right  
To think about the girl you love and hold her tight / So happy together  
If I should call you up, invest a dime / And you say you belong to me and ease my mind  
Imagine how the world could be, so very fine / So happy together

I can't see me lovin' nobody but you / For all my life  
When you're with me, baby the skies'll be blue / For all my life

Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-ba-ba-ba

## The End by John Lennon & Paul McCartney

And in the end / The love you take / Is equal to the love you make
